Stylish and Comfortable Toilet Unit Interior

Designed with a high-end finish, the interiors create a welcoming and refined space:

- Soft, ambient LED lighting enhances the feel of luxury
- Thoughtful design touches such as mirrors, decorative wall panels and quality fixtures
- Clean, fresh and spacious interior layout for both ladies and gents
- Toilet Facilities Included

The trailer is divided into:

- 1 Ladies' Cubicle
- 1 Gents' Cubicle
- Heaters

Each cubicle is fully self-contained, providing a comfortable and private experience for guests.

Smart, Seamless Exterior

The toilet trailer is fully skirted to conceal the wheels and ensure a polished, professional look that fits in beautifully with your event setup.

Safe and Accessible

With guest comfort and safety in mind, the trailer includes:

- Sturdy aluminium steps
- Secure handrails

These ensure easy access for all users, including older guests or those with limited mobility.
